Something for everyone and Liberty for all!

Metropolis is the newest building in the master-planned Metro Place community

Whether you choose to live at Liberty Development's trend-setting Thornhill City Centre at bustling Bathurst and Centre Street or their "City of the Future" – Metropolis at Metro Place at Allen Rd. and Sheppard Avenue in North York, the innovation and quality this builder offers is second to none. Long renowned for their superior designs, Liberty Development also provides purchasers with convenient locations and the most outstanding value possible.

At Thornhill City Centre, success is being celebrated in grand style. In recognition of the community's 1000th sale, the company has launched "Celebration 1,000" – a 1,000 hour event offering rewards, promotional incentives and great opportunities for broker/agents, public and past Liberty purchasers alike. This time limited event counts down to its expiry on December 2, 2008 at 6:59 p.m. E.S.T.

Emerging at the prime intersection of Bathurst and Centre

Thornhill Green; your 5-acre backyard at Centre Park Condos

Streets, Thornhill City Centre is currently selling its 5th and 6th towers, appropriately named "Centre Park Condos". Centre Park Condos overlook the 5 acre backyard and newly named urban park – set within the lovely 24 acre master planned Thornhill City Centre community.

A distinguishing and unique feature of Centre Park Condos is the 9,000 sq. ft. 'twin green roof terraces' above the 6th floor roof of each of the East and West towers providing purchasers with the opportunity to enjoy their 'backyard in the sky'. Proximity to public transit, shopping, restaurants, theater, entertainment and golf, plus access to indoor amenities all help to add value to life at Thornhill City Centre.

Down the street, at Sheppard Ave. W. and Allen Rd. in North York, steps from the Downsview subway station and across from Canada's largest urban park, the "City of the Future" is emerging at Metro Place. The newest phase, Metropolis is the third building being sold here and offers purchasers access to over 25,000 sq. ft. of fitness and recreational space. Metropolis is at the heart of everything – schools, services, places of worship, Yorkdale Shopping

Centre, movie theatres, Dufferin/Caledonia Design District, restaurants, cafes and culture.

Across the street is Downsview Park – Canada's largest urban park. Here residents can walk, cycle, blade or run on the miles of groomed trails, enjoy the many sports offered, partake in the roster of art and recreational programs or simply enjoy an old fashioned picnic around the pond at the gateway to the park.

And best of all, steps from Metropolis is the Downsview subway station, offering quick access to points south – Yorkdale Shopping Centre is just 2 stops south and downtown Toronto is a mere, uncrowded 19 minutes away. The city is at your fingertips at Metropolis!

Whatever your preference, there's a Liberty Development community that's just right for you. Offering the best value in price in the GTA, something for everyone, Liberty for All! Visit the web site at www.libertyforall.ca for more information.
