LIVE IN LUXURY

THIS YEAR FROM JUST \$775 A MONTH

Centre Park Condos in Thornhill has it all

The Centre Park Condos community is now under way, standing tall and offering the GTA superior value.

Beautifully finished and spacious, these delightful condominiums are located in the heart of Thornhill in a magnificent park setting – surrounding a five-acre greenspace and park. Close to everything you love about the ‘burbs, big box stores, the Promenade Shopping Mall, easy access to Hwy. 407, public transportation, theatre, restaurants and more, Centre Park Condos gives residents the chance to be at the centre of it all.

At Centre Park, you can enjoy a magnificent lifestyle right at home with amenities you simply won’t find in similarly priced condos. Centre Park offers Club Liberty, which provides an indoor pool, state-of-the-art fitness facility, a billiards room, a media room and a

fully equipped party room. As well, two beautifully landscaped rooftop terraces grace each building and provide a private outdoor area with barbecues for residents to enjoy.

Located at Bathurst just north of Centre Street, Centre Park Condos are the fifth and sixth buildings at the flourishing development, Thornhill City Centre. The community is known for the five-acre urban park that sits at its core – the largest of its kind in a Thornhill condo development.

Ready for occupancy this year, with suites from as low as \$775 per month, Centre Park Condos offers a superior lifestyle appealing to a broad range of purchasers – from first-time buyers to empty nesters.

Liberty Development, the company behind Centre Park Condos at Thornhill City Centre, continues to develop ambitious,

master-planned communities that are converting suburban neighbourhoods into highly desirable urban communities. Some of their current residential projects include eko at Markham Centre and Metro Place Condos at Sheppard Avenue and Allen Road.

Offering superior value one community at a time, Liberty Development stands by their word when they say “Liberty for all.”
