Liberty offers you eko – a courtyard community in the heart of Markham

There are a lot of hard choices to make in life – where you move shouldn't be one of them. In fact, Liberty Development is making the choice very easy, offering an alluring courtyard condominium community in the heart of Markham. eko is proving to be an exceedingly popular and very easy choice to make, since the first two buildings sold quickly. Liberty Development has recently launched the grand finale of this first phase, noa, so it's prime time to purchase a condominium at eko.

The reason that eko has proven to be so popular is very simple – it's a great package. It combines an amazing location with beautiful, award-winning suite designs and fabulous amenities. In fact you can tour the 900-sq.-ft. model and see why Liberty Development recently took home the Ontario Homebuilders' Award of Distinction for Most Outstanding Highrise Condo Suite. With over 30 years of experience in the industry, Liberty really understands how condo living should be.

Starting with an ideal Markham location, eko is being built on South Town Centre Boulevard, just west of Warden Avenue at Hwy. 7. With Hwys. 407 and 404 nearby, the location affords immediate highway access to residents, making it easy to get around. It's also surrounded by amazing convenience.

Markham has become such a popular community to live in because of all of the amenities, from shopping and restaurants to golf courses and greenspace. It gives balance to life, where your busy, modern lifestyle is accommodated and your downtime is indulged.

eko has been designed as a courtyard community. It enjoys a lush setting, where the focal point of this master-planned community is nature. Tree-lined walkways and landscaped and manicured grounds, eko is meant to be enjoyed by residents, inside and out.

While the four condos will look lovely on the horizon, they'll certainly make an impression on everyone who enters. Each lobby is elegant and welcoming. Not just a place to pass through, there's a beautifully furnished fireside lounge where you can linger with guests and enjoy the warm glow.

Beyond the lobby there is a host of common elements to enjoy. A garden level party room gives you the space you need to celebrate in fine fashion. A wet bar and caterer's kitchen will make entertaining almost effortless. You can host an Oscar night or have a film screening in the Media Room – this furnished lounge is equipped with a large-screen TV. You can even meet up with friends and neighbours for a games night in the Billiards Room.

Suites are just as sublime and full of luxury features. Granite countertops, great balconies, a quality appliance package including fridge, stove, dishwasher and stacked washer and dryer, a master bedroom with ensuite and walk-in closet, as per plan, make eko an easy choice for condo purchasers.

Visit eko and discover the lifestyle of noa. The sales office is located at 10 Cedarland Dr., just west of Warden Avenue. It's open Monday to Thursday from noon to 7 p.m.; weekends and holidays from noon to 6 p.m.; closed Fridays. For more info visit www.ekomarkhamcentre.com or call 905-477-7600.
